CLIENT FEEDBACK

Rodney is a true professional. He is passionate about his work and as a speaker, he over-delivers! He is enthusiastic, upbeat and handled every question with intelligence and poise. He taught our employees basic dance moves and made it simple to follow no matter what their experience was with dance. Our employees are still asking about him!

- Diane Dalzell
Director of DEI, New York Presbyterian Hospital

He is a gifted leader who combines high social-emotional competencies, hard work, and diligent planning to build out ideas and connect with people in meaningful ways. His desire to serve, to be excellent, and his can-do spirit combine to set an inspired tone. It is not coincidental that others' skill development and leadership skills grow and blossom in his presence.
